SUMMER TIME BLUES

Expt

I was somehow able to complete this.
It was really laborious and I was really in trouble,
though I've been in trouble before.
In addition, starting from August 15th,
I'm going to change my pen name from
Satou Memeko to Satou Okome.
Though it's still fine to refer to me as
Memeko as you've been doing up until now.
For those that visit my site and are used to
calling me Okome, you can refer to me like that too.
Feel free to do what you like.
